

### **Small Business Start Up Package**

Our Small business start-up package has been specifically designed to offer your business everything that is needed to ensure HSE regulatory compliance.

With the small LOCAL business in mind our prices are the lowest around!

Our package includes the following:-

- Initial Risk Assessment
- Health & Safety Policy
  - Staff Handbook
- First Aid Assessment
- Emergency Procedures

All of the above is included in our Small Business start-up package. This includes a visit to your business premises by one of our qualified consultants who are members of the Institute of Occupational Health & Safety (IOSH). During this visit our consultant will carry out an initial risk assessment and discuss your business needs.

Following this visit we will prepare a Health & Safety file for your business and advise if you need to do anything else to comply with regulatory requirements. (such as signs, posters etc.)

### **On-Going Support**

We can offer on-going support for your small business and act as your 'qualified person'. As a start-up package customer you are entitled to a discount rate of just £25 per month for this service. Normal price is £35 per month.

For this monthly payment you will have access to on-going advice & support. It covers 2 visits to your premises each year and also includes small changes to your initial documents. If you require any further documentation then we can offer these at reduced prices.

We are also in the process of implementing our e-learning packages which you will of course be entitled to at a reduced rate for your staff.

What are you waiting for?
